All students in residence who have been three years at the Hall are eligible for membership.

College Hall Old Students' Association.

Report for 1912.

During the past year the membership of the Association has increased by fourteen, making the total number of members 123.

The death of Miss Morison on February 8th has inflicted an irreparable loss on the Association; she was one of its warmest supporters from its beginning in 1896, and after the death of Miss Grove in 1905, Miss Morison became President and occupied the chair at the Annual Meeting less than a fortnight before her death. *

She made some valuable bequests to the Institutions in which she worked or took a special interest during her life-time.

To College Hall she left

£250 for the Endowment Fund,
£250 „ Eleanor Grove Memorial Fund,
£100 „ Library Fund,

and one-third of the ultimate net residue of her estate to be used for such purposes as the executors or trustees shall think fit.

* The Secretary still has a few copies of the leaflet issued with last year's Report, containing an appreciation of Miss Morison and a short account of her life and work by Dr. I. Macdonald, which may be had on application.
